SUMMARY

Entry-level full-stack web developer with hands-on experience building and deploying modern web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Skilled in developing responsive frontends, RESTful APIs, CRUD operations, and database management. Completed intensive full-stack training at Digital Dreams ICT Academy (2025) with multiple real-world projects. Seeking a junior/internship role to contribute, learn, and grow within a collaborative engineering team.

TECHNICAL SKILLS

- Frontend: HTML, CSS, Tailwind CSS, JavaScript, React
- Backend: Node.js, Express.js
- Database: MongoDB
- Others: RESTful APIs, CRUD Operations, Git & GitHub, API Integration

PROJECT EXPERIENCE

- Developed an AI chatbot with responsive UI using; React and JavaScript, and developed the backend services with Node.js, Express, and MongoDB.
- Designed and implemented secure RESTful APIs for user authentication, messaging & data exchange.
- Performed full CRUD operations with proper error handling and input validation.
- Managed server-side logic and MongoDB database operations.
- Used Git and GitHub for version control and project organization.

EDUCATION

Diploma in Full-Stack Web Development (Distinction)

Jan 2025 - Nov 2025

Digital Dreams ICT Academy

- Frontend Development: Completed structured training in frontend development, covering HTML, CSS, TailwindCSS, JavaScript, React, and modern web development fundamentals.
- Backend Development: Built server-side applications using Node.js, Express, and MongoDB, focusing on API development, database operations, authentication, and application logic.

- Projects:

AI Chatbot (MERN Stack): Created full-featured chatbot application with modern React frontend.

Developed robust Node.js/Express backend with MongoDB integration. Also implemented complete RESTful API system including authentication & real-time features.

E-commerce Food Store(Ongoing): Building full e-commerce platform with product listing, cart & checkout. Developing responsive frontend + backend services, REST API & database structure.

B.Sc. Estate Management (Second Class Upper Division)

2019 - 2024

University of Nigeria Nsukka

- Completed a Bachelor's degree in Estate Management, gaining strong foundations in property management, valuation, planning, and analytical problem-solving skills.

ADDITIONAL INFORMATION

- **Languages:** English (Fluent), Igbo (Native)
- **Certifications:** Diploma in Full-Stack Web Development (Distinction), B.Sc. in Estate Management (Second class upper division).
